Schulte Construction
 3418 16th Ave. S
 Seattle, WA 98144
 www.schultebuilder.com

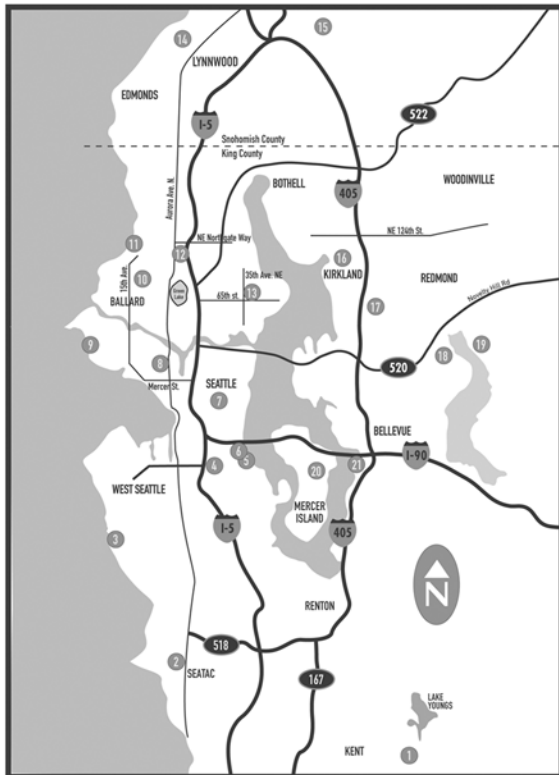

Description

The kitchen was renovated from the framing to provide a better use of space and incorporate modern conveniences such as a dishwasher, gas range, new utilities and better ventilation. The eating nook was redesigned with built-ins. For the attic remodel, both sides of the center were dormered to add a sitting area and bathroom. Most of the original T&G paneling was reused in the new bathroom and built-ins were used to maximize space.

Directions

From I-5 North or Southbound: Take Exit #163. Merge to stay in left lane and make the first left at the light. Merge onto South Spokane St. Go up the hill through the first light and make a left onto 16th Ave. S. The house is halfway down on the right (East) side of the street.
