 3057 Perkins Lane W.
 Seattle, WA 98199

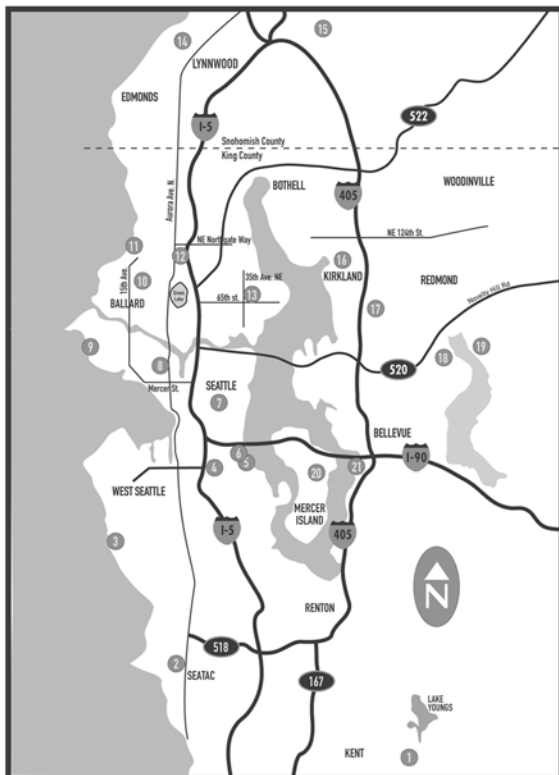

Description

The whole house remodel of this beautiful 1960s waterfront home in magnolia includes a new, modern kitchen, living room, master suite and powder room. It features millwork, doors, custom closets, floor coverings and finishes. The 15 foot fireplace, formerly bland and dated, now adds new vibrancy to the residence. Keeping the original footprint of the home, this remodel reveals new functionality and charm.
