16901 2nd Ave. SW
 Normandy Park, WA 98166

Description

Classic and modern blend beautifully in this updated 1941 kitchen. Originally the ample space was underutilized. By redesigning the kitchen layout and adding a well-placed island for gathering and extra seating, the flow and efficiency make this kitchen the star of the home! Vintage touches include a farm sink, cup pulls, white Shaker custom cabinetry and subway tiles which sparkle next to modern updates of granite countertops and stainless steel appliances.
