Description

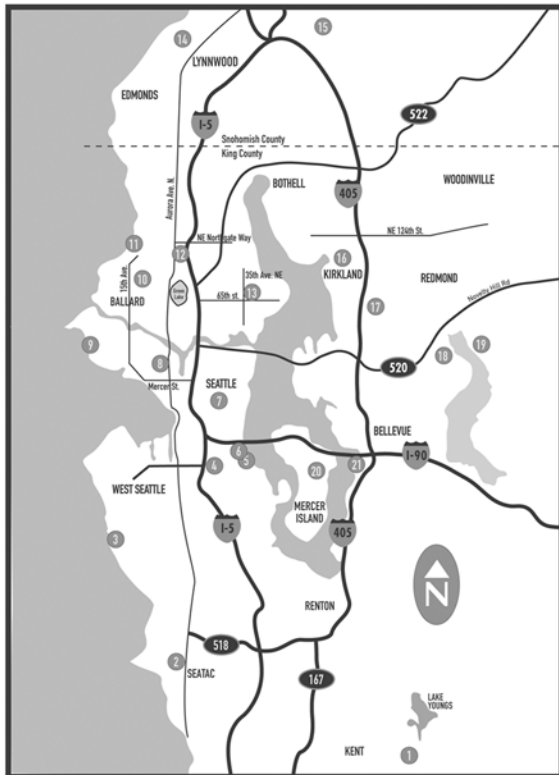

Every foot of this classic 1960s Northwest home has been exquisitely transformed into a mid-century modern masterpiece. Timeless details, original and new, exist throughout the 5,200 square foot home featuring an award-winning kitchen and five baths. Custom furniture pieces and incredible interior elements complete each room. Outside you'll find hand-split cedar siding and soffits, splintered basalt masonry and Ipe wood decks. Stroll around the lush garden featuring an in-ground spa, cave, waterfalls and Koi pond.
