Description

Completely redone, this home could be mistaken for brand new. The updated kitchen is now an architectural dream wrapped in beautiful custom cabinetry and Alaska White granite. Top-of-the-line stainless steel appliances allow for easy hosting, while the large statement island makes this the family center of the home. The powder room is contemporary and has a wonderfully simplistic color pallet. The sweeping hardwood stairs welcome you in and create one unified, gorgeous aesthetic.

Directions

From I-5 or I-405 North and South: Take SR-520 East and exit at NE 40th Street. Take that right at NE 40th Street and then turn left onto 172nd Ave NE.
