**Powell Custom Homes & Renovations**

800 South 249th St.  
 Des Moines, 98198  
 www.powellrenovations.com

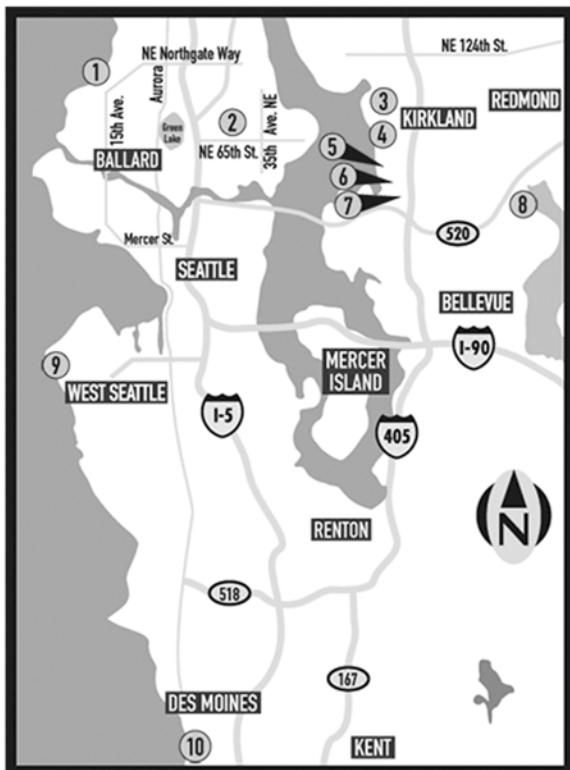

**Description**

The new custom kitchen in this waterfront home sparkles against high-bank Puget Sound views and makes an ideal setting for guests. The previous floor plan, with both an island and peninsula, impeded traffic flow and was not efficient for storage and cooking. Now, a wine rack, full-service prep sink and specialized baking center offer top-of-the-line amenities for an experienced cook. Custom cabinetry, slab granite and a spacious island balance functionality with stunning design.

**Directions**

**From I-5 North or Southbound:** Take WA 516 West (Kent-Des Moines Road) towards Des Moines. At bottom of hill, take a left onto Marine View Drive South. Take a right on S. 249th (it is a short gravel road). 800 S. 249th will be the last house on your right.
