Description

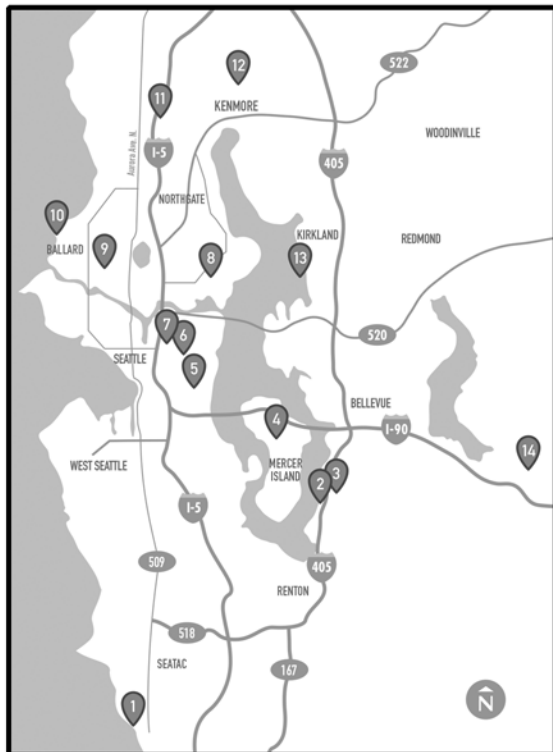

This open concept kitchen/living room design was made possible by removing a load bearing wall and installing structural beams. An entertainment dream, features include an automated TV elevator, the latest in entertainment/sound systems, a wine storage and dispenser, and an automated ceiling island hood. Unique modern accents complete this breathtaking kitchen and great room remodel. Don't miss the special touches including a glass bead and ribbon flame fireplace, unique kitchen cabinet storage ideas, a floor-to-ceiling ledge-stone fireplace surround, a custom cable railing and stunning metallic/glass tile work.
