**Description**

From the onset, the clients envisioned a classic, elegant master bath that would enhance their daily experience as well as tastefully update their Sammamish home. Though the basic footprint of the bathroom stayed the same, the bathroom was updated from head to toe and the master closet was reconfigured. Finishes including semi-custom painted cabinets, quartz countertops, heated floors and a custom tile shower completed the transformation. The simple elegance of a white beveled subway tile and custom chair rail tie it all together.

**Directions**

**Eastbound or Westbound I-90:** Take exit #17 and turn north onto Front St. (eastbound) or E. Lake Sammamish Parkway SE (westbound). Turn right onto SE Issaquah-Fall City Road. Turn left onto Issaquah-Pine Lake Road SE. Turn left onto SE 47th Way. Take right onto 233rd Ave. SE. The home is on your left. Park in the cul-de-sac.
