Description

Like most kitchens built in 1968, this one was closed off, making it a prime candidate for remodeling. Focusing on a brighter, better ventilated kitchen, the dream of taking down the wall between the kitchen and adjacent rooms allowed the homeowners to add an island and cozy eating area, creating a more functional space. Dark wood flooring, new cabinets, countertops, range, and modern sink with glass tile backsplash completed the transformation.

Directions

From I-5: Follow I-5 to I-90 East, Head East toward Bellevue on I-90 . Go across Lake Washington and Mercer Island, and past I-405. Take Exit at 148th Ave SE, heading north. Stay on 148th until NE 8th St. Follow NE 8th street past the Crossroads Shopping Center all the way until it ends. This is Northup Way. Turn left onto Northup Way. Follow Northup Way to 173rd Ave. NE (second right). Turn right onto 173rd Ave NE and follow it to NE 13th PI (first right). Turn right onto NE 13th PI and follow it to the end (175th PI NE). Turn left on 175th and follow it for one block. House is on the right (1406 175th PI NE).
