Description

This charming Ballard home is more functional, brighter and more stylish since its bathroom and kitchen remodel. Mixing old with new, the master bathroom features black and white tiles with a curb-less shower and glass blocks. The space was enlarged by removing a linen closet and the bathtub to allow for a large walk-in shower with chrome polished plumbing fixtures and grab bars. Keeping the same footprint, the kitchen was remodeled on a limited budget. Cabinets were rebuilt to integrate the Zephyr range hood and new Silgranit sink. The kitchen remodel includes a new countertop, backsplash, and freshly painted cabinets.
