**Description**

The all new, designer interior in this home invites opportunities to relax with the kids and watch a movie, or set the lighting and music from anywhere when entertaining friends and clients. The impressive volume of technology was literally built right into nearly every room of the house. The result is bold and powerful yet timeless and classic at the same time.

**Directions**

**Northbound or Southbound I-405:** Take exit #18 for NE 85th W. Travel west into downtown Kirkland. Turn left onto Lake St. S. The home is approximately 1 mile down on the left. Street parking only.
